“Strengthening Deterrence” with More Nuclear Bombs?

(<https://fas.org/blogs/secrecy/2020/02/deterrence-bombs/>)

By Steven Aftergood

Earlier this month the Department of Defense acknowledged that it has recently begun to deploy low-yield nuclear warheads on certain submarine ballistic missiles. “This supplemental capability strengthens deterrence. . . and demonstrates to potential a ...

Count-Down Begins For No-Brainer: Extend New START Treaty

(<https://fas.org/blogs/security/2020/02/count-down-begins-for-no-brainer-extend-new-start-treaty/>)

By Matt Korda

By Matt Korda and Hans M. Kristensen One year from today, on February 5, 2021, the New START treaty will expire, unless the United States and Russia act to extend the last nuclear arms control agreement for an additional five years. No matter your poli ...

US Stands By the Chemical Weapons Convention

(<https://fas.org/blogs/secretcy/2020/02/cwc-ag-cert/>)

By Steven Aftergood

While the Trump Administration has retreated from negotiated arms control agreements in many areas ranging from nuclear weapons to anti-personnel landmines, the US is still committed to the Chemical Weapons Convention (CWC), which generally prohibits t ...

US Deploys New Low-Yield Nuclear Submarine Warhead

(<https://fas.org/blogs/security/2020/01/w76-2deployed/>)

By Hans M. Kristensen

By William M. Arkin* and Hans M. Kristensen The USS Tennessee (SSBN-734) at sea. The Tennessee is believed to have deployed on an operational patrol in late 2019, the first SSBN to deploy with new low-yield W76-2 warhead. (Picture: U.S. Navy) The US Na ...

NNSA Moves to Expand Plutonium Pit Production (<https://fas.org/blogs/secretcy/2020/01/nnsa-pits/>)

By Steven Aftergood

The National Nuclear Security Administration said last week that it will proceed with a plan to sharply expand production of plutonium "pits" — the explosive triggers for thermonuclear weapons — without performing a full "programmatic" environmental ...

White House Rebuffs Declassification, Disclosure Requirements

(<https://fas.org/blogs/secrecy/2019/12/white-house-rebuffs/>)

By Steven Aftergood

Congress adopted numerous new disclosure and reporting requirements in the government spending bill that was signed into law last week. But the Trump White House said that many of them encroach on executive authority and that they may not be implemented ...

Many Reports to Congress May Go Online

(<https://fas.org/blogs/secrecy/2019/12/reports-to-congress/>)

By Steven Aftergood

Many of the hundreds or thousands of reports that are submitted to Congress by executive branch agencies each year may be published online pursuant to a provision in the new Consolidated Appropriations Act (HR 1158, section 8092). That provision states ...
