Publications/Brochures/Booklets

The NWS Office of Services produces outreach materials to help you prepare for weather emergencies. Many publications are **ONLY** available online, no printed copies are available. These publications say **DOWNLOAD**. You can order printed copies of SOME of the publications from [your local NWS Office](#), the [NOAA Education Outreach Center](#), or the [American Red Cross](#). There is no charge for any of the publications. You need a free copy of [Adobe reader](#) to view pdf files.
